El Presidente

Welcome to the August newsletter.

We have a new look web page. Sean has been doing the hard yards modernizing the web page which looks great and is mobile phone friendly. Well done Sean.

The All Ford Day will soon be upon us. Our Club incorporates our GT display day with the All Ford Day so it would be great to have as many members and their cars at this event, Associate member and Ford cars as well.

As we are having a club display, the organisers are requesting 1 judge per 5 club cars entered so please don't be shy, & offer your services if you can.

It's not a hard job and can be an eye opener on how other people present/display their cars which may be of benefit to you.

On another matter, we need some fresh blood for the events committee.

Fresh people with new ideas is what we are chasing. The more the merrier, it's what makes our club great.

As you can see, the calendar is a bit thin at present, so if you have ideas or suggestions please let us know.

Kind regards

Karl Brown

Secretary comments:

Apologies for any inconvenience caused while coming up to speed with the Club Database – BIG thank you to Ben & Pat Hall for their help since taking up the new role & their offer of continued help if needed is much appreciated.

Most membership forms are not being completed correctly or completely. Forms must be filled in COMPLETELY & CORRECTLY. Be aware that if forms are not filled in properly next year they will be sent back to be re-done. Also a copy of the receipt confirming payment must be attached to your form. It is not the job of the Treasurer to try & align monies received with incomplete forms. Membership numbers are increasing dramatically with the new club registration scheme, so let's try & make the job easier for everyone.

Treasurer's Report:

Reports for year ending 30th June 2019, & for July 2019:

Club sustained an operating deficit for 2018/19, so no donation to charities will be made this year – to be formalised at the SGM.

Moved: Gabby

Seconded: Ben

Due to change of Committee members, new signatories need to be added to the club cheque a/c & outgoing members removed.

Karl Brown & Michael Stavrides to be added.

Hugh Westphalen & Ben Hall to be removed.

Tony P queried whether we need a cheque a/c with 2 signatories – at this stage YES we do.

Gabby will be away for the September meeting – 2 reports for Aug/Sept will be given at the October meeting.

SPECIAL GENERAL MEETING

1. Donation to Charity

As discussed earlier, the FGTCSA sustained an operating deficit for the 2018/19 year. Accordingly there will be no donation to the Leukaemia Foundation this year.

2. Constitution Change – Voting Rights

Discussion around possible changes to Section 21 of the Constitution.

Alternate suggestion was to amend Section 5 to include Life Membership so section 21 can remain as it is.

Section 5(2)

There shall be ~~three~~ (*Change to "four"*) forms of membership. They are;

5 (2) (a) Full Membership

5 (2) (b) Joint Membership

5 (2) (c) Associate Membership

5 (2) (d) Life Membership

Life Membership awarded to members as per section 8.

5 (3) Full/Joint/Life Membership share the same rights and club privileges. References to Full Member in this constitution include these three forms of membership.

Moved: Sean

Seconded:

Hugh

Carried

Sean to make amendments to the Constitution & circulate accordingly.

3. Benefits to Members

General discussion on how the club can pass on benefits to club members centered around a possible celebration of our 30 year anniversary in January 2022 – had overall consensus so plans will be developed.

Meeting closed 9.33 pm

NEXT CLUB MEETING

7.30 pm, Monday 16th September 2019,

At GSDC

Mr Ed.....

Firstly, apologies for the lateness of the newsletter - been away with the caravan to the V8 Supercars at The Bend then north to the Flinders Ranges for some sunshine & warmth in the old bones - love it up there..

Lots of good improvements at The Bend compared to their first effort last year (..they needed to) & a great result for DJR & Co - got those whinging T8 clowns seeking more parity changes. They're not good losers are they? Bathurst is certainly going to be a very interesting event this year - only 1 month away now.

The weather seems to be starting to improve from the usual bleak wintery stuff with more sunny days appearing on the forecast - time to get the beast in the shed ready for some springtime fun. The upcoming ALL FORD DAY seems like the perfect time to get the GT all spruced up & out for the day.

Again we are using AFD event to promote what we used to call our GT Display Day - it gets our cars much more exposure to the wider Ford community at a location which is very high profile, & the organisation for the whole day is coordinated by the AFD Committee, who do a pretty good job it must be said.

We had over 30 cars registered at last count, which is good, but it would be great if we could nudge the 50 mark like we used to get at our GTDD. So get to it & let's make it a great turnout rather than just a good one.

A very pleasing bit of news is that our past President John Walters has received an invitation for MOTOR CLASSICA in Melbourne to display his GTHO Phase 1 in this highly prestigious invitation-only event. The HO underwent a significant refining of its ongoing restoration in the lead up to our recent GT Nationals by Rodney Plowman, & the quality of Rodney's work is reflected by the fact that the Classica have extended this highly sought after invitation for John to attend their event this year. Congratulations John & Rodney - suitable reward for excellent work.

Meanwhile, see you at the AFD..

Cheers..
